Magic Turf

WHY CHOOSE HEGO MAGIC TURF ?

We strongly believe in high standards for quality, sustainability and pleasure. Of course, we know that you will not even consider artificial turf unless your neighbours cannot see the difference between artificial and natural. Well, we have got good news for you.

This is what we offer :

- The premium feel of natural looking artificial grass .
- Our Authorized Dealers have been selected on their skills and passion for landscaping.
- Proved quality and reliability
- Safe for the environment and respect for nature
- Easy installation and cost - effective grass turfs.
- The latest technologies and innovations of UV Defender which makes our grass colour fast even in strong sunlight areas.

APPLICATIONS

HEGO MAGIC TURF

GARDEN GRASS

A beautiful and well maintained lawn, in your residence. Now stop worrying of watering & mowing . Very suitable in extreme drought, mossy or shady environments. Children and pets love it as well!

BALCONY, TERRACE AND PATIO

Add colour and atmosphere to your balcony or patio. Walk on Royal Grass bare feet, enjoy the nice weather on a perfectly green terrace.

GREEN ROOF

Enjoy a year-round green roof terrace, maintenance free. More time to spend on more important things.

INDOOR OR DECORATIVE

Artificial grass is often used as decoration for offices and exhibitions. Be creative: it can even be used in your child's bedroom...turn it into a jungle!

PUBLIC LANDSCAPING

Royal Grass is suitable for places where ordinary grass will normally not grow, in any location. It's a low-cost and environmentally friendly solution because it doesn't need water and practically no maintenance. Durability guaranteed.
