JB GLASS

A high ceiling door panel adds a sense of grandeur to your interior spaces and leaves you spellbound. Where on the one hand, these tall doors make a dramatic aesthetic impact, on the other, they are structural and technical marvels.

JB Glass presents its Long Handle Wardrobe collection. Available in heights extending upto 3.3 meters, these are the tallest Aluminium door profiles available anywhere in India. The 3mm slim and continuous profiles run on all four sides, giving the door panels clean and elegant lines. You can choose from our wide and exclusive range of glass types and finishes for the wardrobe doors, to match any interior aesthetic. What's more, we provide long handles and fixtures, which match the profile finish. Our Long Handle Wardrobe collection is guaranteed to give a facelift to your interior spaces.

*“The details are not the details, they make the design”*

- Charles Eames

Contemporary, elegant, fluid and functional - our long handle profile is available in two colors to match the glass door panel finish for a seamless look.
