CARPET TILE

MAINSTREET COLLECTION

Carpet Tiles

Best of many worlds!

Easy to customise and even easier to manage, our carpet tiles help you create the work environment you've always dreamt of - like a sophisticated executive cabin or a board room.

They effectively reduce noise, cushion the impact of drops and falls, and are extremely cost effective. And guess what, after a while if you feel it's time for a change, you can do so conveniently! You can also choose different designs and combine them to create your unique flooring design. Cool, isn't it?

Key benefits of our carpet tiles:

- Multiple design possibilities using a combination of different tiles
- Easy to maintain
- Ideal for heavy traffic usage in commercial offices
- Stain and fade resistant, and offer sound insulation
- Easy to install directly on the floor's substrate
- Reduces wastage during installation

WELSPUN CARPET TILES ADVANTAGES

Multiple Design Possibilities

Solution Dyed Tufted Product

Ideal For Heavy Foot Traffic

Stain Protect

Easy To Maintain

Easy To Install

Offers Sound Insulation

Reduces Wastage During Installation

Fade Resistant

Made in India

40% Less Environmental Footprint

Less Lead Time

TRADEMARKS & TECHNOLOGIES

NY6+™

For colors that don't fade out, Welspun Floorings Ny6+™ is made up of a highly resilient fiber that is known for its superior color retention, strength, stain and fade resistance. With all this, your floor always retains its beauty come what may.

Welspun Ecolite™

Welspun Ecolite™ backing is made up of lightweight PVC that not only reduces the overall weight significantly but ensures a 40% less environment footprint than traditional carpets. Despite that, this backing retains the highest performance standards.

Now also available with **HealthyFloor™** (Optional)

We also have carpet tile options with **antiviral property**. Tested and certified by ResInnova labs, we are India's first antiviral carpet tiles. It kills 99.68% human corona virus because of a special coating of silver iron and titanium oxide. We make healthy floors.

Comfortile™ (Optional)

With Comfortile™ backing, our tiles come with a customized felt-back that not only offers great underfoot comfort but also sound absorption. Comfortile™ provides extra levels of protection and support for high levels of acoustic and ergonomic support.
