The art of wallcovering

MODERNISTA

MODERNISTA

A **metallic shimmer**, a deep lustre and a modern twist to the **Art Deco** style led to gorgeous patterns that give a space a sensuous and evocative feel. Discover 3 distinct pattern worlds: **leaf motifs** that spread over an entire wall, strong **architectural patterns** inspired by the **Art Deco** look of the pointed arches of New York's Chrysler Building, and the bold personality of **hand-finished metal surfaces**. Take your home into the future with Modernista.
