The art of wallcovering

CITY GLAM

CITY GLAM

A laid-back charm combines with irresistible glamour in the patterns of City Glam, Designed around the concept of **weathered concrete** in which **glints** and **shimmers** represent **scrapes and nicks**, every pattern has a vintage urban sophistication and cool vibe. They will cover your home with oodles of style. The collection is divided into 4 visual themes: **damask, graphic, stripes and leaf motifs.**
