Wall & Ceiling Panels

INTRODUCING

## WATERPROOF

*PARÉ Soffit Louver Systems are resistant to water and are therefore perfect for wide number of areas!*

## LONGETEVITY

*PARÉ Soffit Louvers have been specially crafted to ensure long life, they also come with 10 years warranty!*

## REAL WOOD FEEL

*The Unique aesthetic of real wood along with the touch and feel has been captured by the PARÉ Soffit Louver systems, without any downsides of using real wood.*

# FEATURES

## ANTI-BACTERIAL

*PARÉ Soffit Louvers have certified anti-bacterial properties which destroys wide range of bacteria in a very short span of time.*

## UNIQUE INTERLOCKING

*The tongue and groove technology in PARÉ Soffit Louvers not only ensure a seamless look but also enable you to interlock with other compatible PARÉ products.*

## TERMITE & RUST PROOF

*The unique composition of PARÉ Soffit Louver Systems make it impervious to the effect of age, degradation, insects and/or termites making it a truly evergreen product for the ages.*

# FEATURES

# EASE OF INSTALLATION

PARÉ Soffit Louver Systems do not require any special tool or techniques. Simply find a flat wall and directly screw the Louvers into the wall!

INSTALLATION

# CUSTOM SIZING

Due to PARÉ's state of the art facility, we can offer custom sizing with a minimum order quantity (MOQ) of 5000 sq.ft. only

With this, you can increase the length of the Soffit Louver Panels to the size you require. For retail consumers, this will yield a seamless look for your surfaces whereas for commercial consumers, custom sizing reduces the wastage percentage by a good margin while maintaining a seamless look.
